## FLP'S STOCK IS RISING...!

Over the summer we have been entertaining a number of high profile visitors. In late May a party of more than 50 volunteer rangers travelled from 2 National Parks in Belgium and France to see what we have been up to over the last 2 years. More recently a Polish group have visited for advice on setting up a volunteer programme.

We have even been on film – after being the only Welsh project picked by the Heritage Lottery Fund to feature in their latest promotional film. Read the full [FLPs stock is rising](#) article.

## PUPILS GIVE CANAL WORKSHOPS TOP MARKS

200 teachers and pupils enjoyed a range of outdoor activities at Goytre Wharf last month. These special workshops were offered as part of an on-going programme of events marking the canal's 200th anniversary.

"It's been a wonderful opportunity for all of them," said teacher Mrs Sara Scriven. "They've learnt about everything from animal habitats and safety issues to how boats float!" Read the full [pupils give canal workshops top marks](#) article.
